"I strike 1st prize on 9838 won S\$4,000.00!"

"我中了头奖 9838 赢得了 S\$4,000.00 奖金!"

Dear Master Charles

I am one of your ardent fans. I subscribe to your Supreme 4D Master Pro software when it was first launched on 9 Aug 26. I am also a subscriber to your 4DToto app, 4D e-Winbox magazine and a regular attendee at your monthly 4D webinar.

Supreme 4D Master Pro

software is a great software.

It is really a very useful tool for regular 4D players like me. I use it every day to get forecasted numbers and also to analyse my own personal 4D numbers.

With the help of the software, I analysed and decided to play 9388, one of my favourite numbers. I bought 9388 on \$2 big system bet. On 7 Oct 26, I struck 1st prize on 9838 and won a cool \$4,000.00!

Thank you very much Master for your great software. Looking forward for more Top3 hits in the forthcoming weeks.
